

...building bridges over cultural, social, and economic gaps for children both domestically and abroad.

How do I make a donation to the Murals Talk Foundation?

Murals Talk is a program designed to raise awareness of global peers facing similar life hurdles. The program seeks to inspire youth and provoke change in their approach to challenges they face due to circumstances outside of their control. We seek to empower children by giving them a platform to express their goals and dreams, identify the hurdles they face, and discuss ways they can overcome those obstacles and attack them head on.

Murals Talk provides a critical, creative building block for impressionable youth enabling them to take control of their future and positively shape the culture of their communities. Our nonprofit aims at contributing significantly to the establishment of positive self-image, self-worth, and confidence in one's ability to harness talents and create a progressive and successful future leading to safer and stronger communities both domestically and abroad. The Foundation was officially adopted by the Central Pennsylvania Community Foundation in January 2020. The CPCF administers hundreds of foundations in the Blair County region.

Funds are needed immediately for on-going and upcoming mural programming. While the artists are all volunteer, funds are needed for supplies, travel reimbursements, and equipment.
